

PPA 903 Control pad for RF remote control kit

The wall mounted RF remote control pad can be used in addition to the PPA 902 and PPA 902-120V RF remote control kit. The control pad can be installed as a wall mount. It is an RF transmitter operated by batteries so that the remote control pad can be installed everywhere inside the room without cabling. It can be useful as a second transmitter in case of empty batteries or loss of the first remote
