

Companion Add-on Ceiling Mic for Apollo Video Bar

APO-SKY-MIC

WyreStorm
Specification Sheet

WyreStorm - Powerful. Reliable. Simple.

Introduction

Designed for seamless integration in conference rooms and lecture halls, these microphones offer a clutter-free solution. Expertly crafted to mount on the ceiling, they ensure your tables remain unencumbered by wires and mics, providing a clean, professional environment for effective communication. Pair with the APO-MIC-EXT to cascade up to 3 times!
