SP740P(-S)

SmartMount®
Pivot Wall Mount
For 22"-40" Flat Panel Displays

Matching elements of easy installation and user-friendliness are found in this pivot mount. It boasts a low-profile wall plate design that easily attaches to the wall with only two screws. This pivot arm extends away from the wall with ease and closes back up to save space. The arm's multiple pivot points allow the flat panel display to pivot, tilt and roll for the perfect viewing angle adjustment and display leveling. Its fully integrated cable management system eliminates unsightly cable clutter and provides a safeguard. Designed and built in the USA, this mount maintains the same brilliant look as the entire SmartMount® 700 Series line of Articulating and Pivot Wall Arm Mounts.

Display size: 22"-40"   LB (KG) Max load: 80lb (36kg)
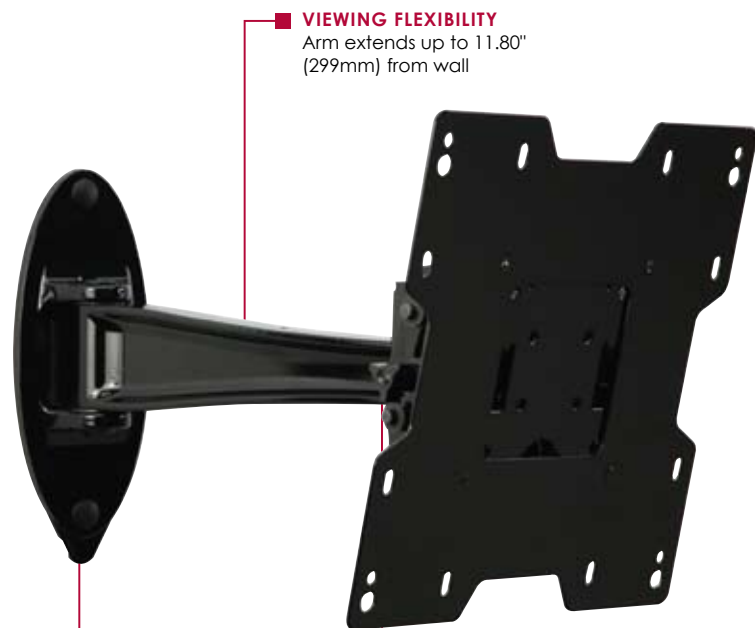

FEATURES

- Compatible with 22" to 40" flat panel displays with mounting hole patterns of 75,100, 200 x 100, and 200 x 200mm
