

New Big Frame

## ASSEMBLAGGIO TELA - FABRIC MOUNTING

La tela in PVC è molto sensibile al calore. In un ambiente molto caldo la tela può ammorbidirsi eccessivamente ed allungarsi verso il basso alterando il rapporto video. New Big Frame mette a disposizione 5 cave per l'ancoraggio della tela. Scegliere in base alla temperatura la cava più idonea all'assemblaggio.

PVC fabric is very heat-sensitive. In a hot environment the fabric may get excessively soft and stretch downwards altering the video ratio. New Big Frame features 5 grooves for fixing the fabric according to the room temperature.

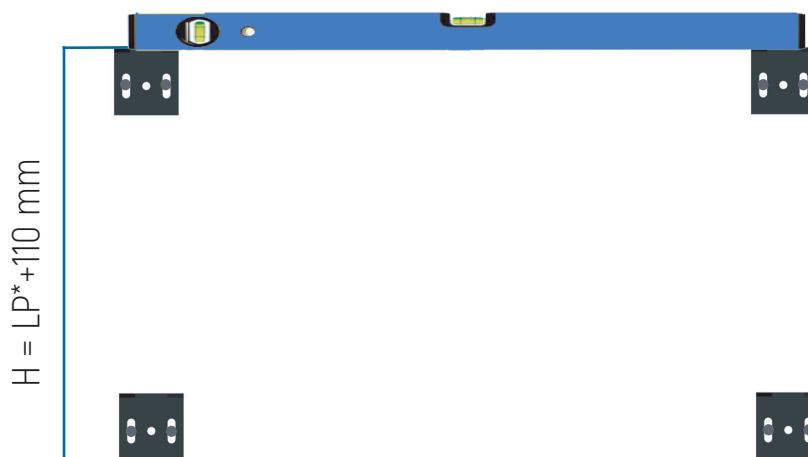

Fissaggio della tela a pressione.

Il bordo freccia va infilato nell'apposita cava prescelta con l'aiuto delle mani o con l'utilizzo del pratico rullo in dotazione. Si consiglia di partire con il fissaggio dei 4 angoli per poi proseguire con il restante perimetro.

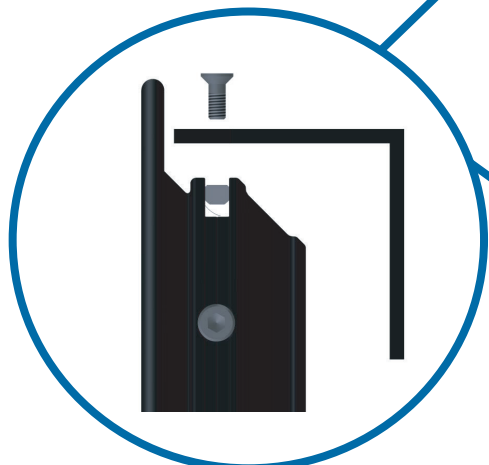

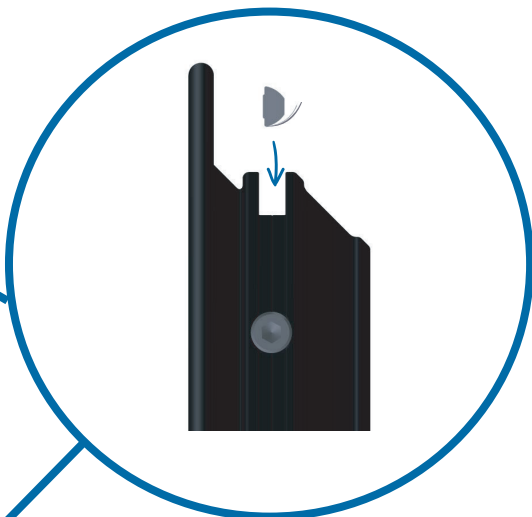

Pressure fabric mounting.

Press the black arrow border in the chosen groove by hand or using the roller (supplied). It is recommended to begin by fixing the 4 corners first and then carry on with the rest of the perimeter.

INSTALLAZIONE STAFFE A PARETE - WALL BRACKETS MOUNTING

\*luce di proiezione - Viewing Area

INSTALLAZIONE GOLFARI - EYEBOLTS FASTENING

ALISCAF CLAMPS FASTENING

INSTALLAZIONE STATIVI - T-STAND FASTENING
